# Job *Hunting*

Chat online or contact our local Youth Information service if you have any questions on working in Europe.

## *Video Podcasts*

- **Jill Barrett** speaks HERE about skills young people need to increase their chance of employment and answers questions their questions.
- **Maria Conte** speaks HERE **and Amy Collins** speaks HERE about the skills gained and future work options generated through their voluntary experiences at home and abroad. *Fully funded volunteer placements through ESC (European Solidarity Corps) are available to 18-30 year old EU residents, for up to 12 months. Press here for more info...*
- **Joe O'Connor** speaks HERE about which careers could be viewed as "growth careers" and also about areas where automation and new technology is likely to lead to less career opportunities in their current formats at least.

## handy guides

Read our blog, all about Jobs and Skills of the Future and how to give yourself the best chance of success in your future career.

- EU Careers is a one-stop-shop for information on jobs in the EU. Press here.
- SpunOut have great information on how to get a job in EU. Press here.
- European Movement Ireland have information on jobs and internships in Europe. Press here

Watch a video podcast all about Eures with Monica Whelan...HERE

# Eures

**'Your first EURES job'** is a European Union job mobility scheme to help young EU citizens to find a job, traineeship or apprenticeship opportunity in another EU country, Norway or Iceland.

- Through 'Your first EURES job' you can receive information, job search, and receive job matching and recruitment assistance.
- You may also be eligible for financial support to attend an interview abroad, as well as to cover costs such as language training, recognition of qualifications or relocation to the destination country.

**There are EURES Advisors in Ireland, for contact details visit: *HERE...***

## are you :

1. Aged 18-35?
2. A national and legal resident of an EU Member State, Norway or Iceland?
3. Unable to find a job or training opportunity in your country?
4. Willing to relocate to another EU Member State, Norway or Iceland for a job, traineeship or apprenticeship?

***If so, then 'Your first EURES job' could be the solution for you.***

***Your first EURES job is open to candidates with different levels of education and/or work experience.***

**Your first EURES job guide sets out the conditions and rules governing participation.**

## job search

**European databank of employment opportunities. Over 3 million jobs available throughout Europe - www.eures.europa.eu**

**Jobs in European Affairs in Brussesl and EU Institutions. www.eurobrussles.com**

**English Speaking Jobs https://www.europelanguagejobs.com/jobs-for-English-speakers**

**Graduate jobs in Europe - www.europeanmovement.ie/**

Podcast with Barry about the English Language Assistance Scheme HERE

## internships

Daily updated internships at EU institutions/agencies. https://programmes.eurodesk.eu/internships#80091

Jobs & Traineeships in Europe list: https://www.europeanmovement.ie/jobs-list/

Grad Ireland; Internships & Work Experience abroad for graduates. https://gradireland.com/internships/advice/internships-and-work-experience-abroad-for-graduates

There are many online tools that can help you figure out the skills you already have, and how to incorporate them into a CV.

# personal skills toolbox

## Option 1

**Careers Portal** have tools like Know Yourself - career exploration & explanation.

They have info upskilling & training if you're unemployed.

There is a video to watch on career skills.

Introduction to Career Skills by Brian Mooney

## Option 2

**Skills Summary** - a free online tool that will help you assess your career skills - including communication skills, interpersonal skills and much more. With Skills Summary, you can build a strong CV and give yourself the best opportunity to prepare for your job interview.

https://www.skillssummary.ie/

## Option 3

**Europass** - a set of online tools to record all your learning, work or personal experiences and achievements in one place. You can create diverse CVs and cover letters, understand how to present your skills and qualifications and manage related documents *HERE*. Discover all the tools that Europass offers you such as:

Europass profile: where you can describe your skills, find interesting developments, learning opportunities, manage your applications and create different CVs and cover letters; etc

## Option 6

### *Get that Job!*

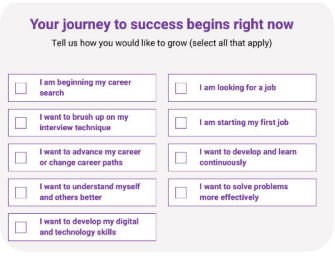
Over the years we have had questions about all aspects of applying for a job. You may send out CVs and not get replies, it's all part of the process.

There are ups and downs, interviews that you absolutely ace and ones that you feel you might have done better at, it's all part of the process. Find out more *HERE*.

## Option 5

**Skills to succeed academy:**
*by Accenture*

Free interactive training, that can help you plan your career, get a job and build skills for the future *HERE*.



## Option 4

The Digitize Enterprise project has been created in order to help young people learn more about Enterprise and Entrepreneurship.

Boost your skills in the area of Enterprise using the Youth Work Online Toolkit *HERE*
